In the event of insufficient entries lower prizes may be withheld. Rule - 76.6

For registered horses to be ridden by Adult, Associate or Junior Members. The course for this competition comprises six vertical obstacles placed in a straightline with two non-jumping strides between each obstacle. In indoor arenas the first two obstacles may be placed on one straight line and the last four obstacles on a different straight line. The top element of each obstacle must be a pole. No obstacle may be set at a lower height than the obstacle preceding it. The competition is judged under Table A not against the clock with a time limit of two minutes. In the event of a disobedience, the competitor must restart the course at the obstacle where the error occurred, but may make his/her approach at an angle from outside the space between the obstacles and is not required or allowed to take any of the previous obstacles again. If an obstacle is disturbed as the result of a disobedience, the procedure in Rule 251.4 must be applied, but no time penalty is incurred. In the event of equality of faults for first place there will be up to four successive jumps-off not against the clock. The first jump-off must be over all six obstacles, but the course may be reduced progressively for each further jump-off to a minimum of three obstacles by removing in succession first, second and third obstacles. The Judge at his/her discretion may terminate the competition after the third jump-off. In the event of equality of faults in the final jump-off competitors are placed equal and divide the prize money.

Competitors who withdraw from or retire during a jump-off are placed equal with those who are eliminated in the same jump-off (Rules 203, 204).

In the event of insufficient entries lower prizes may be withheld. Rule - 76.6

For registered horses to be ridden by Adult, Associate or Junior Members.

This competition is for teams of two or more competitors as stated in the schedule.

The competition is judged under Table C and the starting order must be drawn.

All members of the team enter the arena together. The first competitor jumps the course and having jumped the last obstacle passes the baton (or whip) to the next member of the team, who then jumps the course and so on. Failure to pass the baton incurs elimination.

If a competitor makes an error for which the normal penalty is elimination, the bell is rung and the next member of the team takes over the baton and completes the course before starting his/her own round. If the last competitor in the team makes such an error, the first member of the team takes over and so on.

If the baton is dropped, the competitor must dismount (without penalty) recover the baton and remount before continuing his/her round or passing the baton to the next member of the team. Failure to do so incurs elimination.

The first competitor only of each team is required to cross the starting line and the last competitor only of each team to cross the finishing line.
